

PUBLIC NOTICE TO ALL CUSTOMERS OF MARSHFIELD UTILITIES

Marshfield Utilities has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase electric rates. The increase is necessary to reflect changes in operating costs, capital improvements, and a need to review and adjust the rate tariff structure since the last electric rate case in 2017

The requested increase in revenues is an overall increase above the electric utility's present revenues of \$2,635,930, or 8.04%. This request is based on a rate of return of 6%, which is the rate of return at the time the application was submitted. This request is detailed in the utility's electric rate application submitted to the PSCW on July 28, 2022. After review, Commission staff proposes an increase in rates of \$2,035,467, or 5.83%. The PSCW's proposal is based on a 6.20% rate of return. If the application is approved by the PSCW as filed, the average residential customer using 713 kilowatt-hours (kWh) of electricity per month will see a monthly increase of approximately \$1.50, or 1.97%. The actual change to individual customers will vary with electricity usage, class of service and the ultimate rates authorized by the Commission.

An audiovisual hearing on the application has been scheduled for Wednesday, May 17th at 10:00 a.m. (CDT) This virtual hearing has no physical location at PSCW's office in Madison, WI. Members of the public may attend by internet or telephone or listen to the live broadcast on the PSCW's website at <http://psc.wi.gov> under the "PSC Live Broadcast" button. A person may also participate in the hearing at the Marshfield Utilities office in the W.H. Upham room at the date and time noted above.

A person may testify in this proceeding without becoming a party and without attorney representation. A person may submit this testimony in only one of the following ways:

- **Web Comment.** File a comment on the internet. Go to the Commission's web site at <http://psc.wi.gov>, click the dropdown menu labeled "Commission Action".
