

Simplify your life with PowerPay®

With PowerPay®, your utility payment will be automatically deducted from your checking or savings account each month (there is no charge for this service) or charged to your credit card each month and automatically applied to your utility account (standard credit card fees apply.)

- Easier to make payments
- Saves money on postage, late charges, and cost of checks
- Convenient – no last minute trips to drop off payment.

I authorize Marshfield Utilities (MU) to instruct my financial institution to deduct my payments from my account at the institution named above. This authorization will remain in effect until I terminate it, allowing reasonable time for MU and my financial institution to act or I request a final billing for a closed account. I have the right to stop payment on an entry by timely notification to my financial institution. MU also has the right to cancel this agreement for insufficient payments to my account.

I authorize Marshfield Utilities (MU) to instruct my financial institution to charge my payments to my credit card account provided below. I understand that the payment processing center will charge a minimum 2.75% fee for each transaction. This authorization will remain in effect until I terminate it, allowing reasonable time for MU and my financial institution to act or at the time I request a final billing for a closed MU account. I have the right to stop payment of a charge by timely notification to my financial institution. MU also has the right to cancel this agreement for insufficient payments made to my account.
