Public Fire Protection Service

The municipality has chosen to have the utility bill the retail general service customers for public fire protection service (PFP). The municipality has also elected to make the changes in this schedule applicable to non-general service customers with private wells who own property that is located both within the municipal limits and in an area where the utility has an obligation to provide water for public fire protection.

Monthly Public Fire Protection Service Charge:

\$0.06771 per thousand dollars of assessed valuation.

Sprinkler Meter Service

Upon request, the utility shall furnish and install additional meters to water service customers for the purpose of measuring the volume of water used that is not discharged into the sanitary sewer system.

The utility shall charge a meter installation charge of \$40 and a monthly rental fee for the use of this additional meter.

Monthly Additional Meter Rental Charges:

5/8" meter	\$ 4.60	1 1/4" meter	\$ 9.50
3/4" meter	\$ 4.60	1 1/2" meter	\$11.75
1" meter	\$ 7.50	2" meter	\$18.50

This schedule applies only if the additional meter is installed on the same service lateral as the primary meter and either:

- A. The additional meter is 3/4" or smaller if the metering configuration is the Addition Method; or
- B. The additional meter is 2" or smaller for all other metering configurations.

If the additional meter is larger than 2" or larger than 3/4" and installed in the Addition Method, each meter shall be treated as a separate account and Schedule Mg-1 rates shall apply.

Billing: Same as Schedule Mg-1.
